

Notification from Kumamoto prefectural police ①

● Introduction of the automated call system at all police stations in Kumamoto Prefecture.

● Abolition of the telephone lines at all police boxes and residential police boxes.

We are introducing the automated call system at all police stations in the prefecture and abolishing telephone lines at all police boxes including residential police boxes. This shift is aiming for police officers to be able to concentrate on their duties such as patrolling, investigating cases or the traffic accidents.

■ Schedules of the automated call system to start

Mon, March 11, 2024 through Fri, March 15, 2024

※ Schedules when the automated call system starts at each police station are respectively written on Notification ②.

○ Monday – Friday 8:30am – 5:15pm

You have reached ○○ police station. Please select the number that suits your needs.

To report cases or traffic accidents, press 1

For traffic accidents already reported, traffic violations or paying traffic tickets, press 2

For drivers license, parking space certificate, road use permission, press 3

For lost and found property, press 4

For license application for amusement business etc., press 5

For consultation or inquiries, press 6

For traffic accidents, press 1

For traffic violations or paying traffic tickets, press 2

For drivers license, press 1

For parking space certificate, press 2

For permission for road use, press 3

For consultation, press 1

For inquiries, press 2

○ Saturdays, Sundays, holidays and at night (5:15pm–8:30am)

Personnel in the shift will respond to your call after the computer message (menu choice is not necessary).

■ The elimination date of the telephone lines at all police boxes including residential police boxes. **Fri, March 29, 2024**

※ Hikawa police box (Yatsushiro police station), Kumamoto Airport police box (Kumamoto Higashi police station) and Mt. Aso peak police box (Aso police station) are not eliminating the telephone lines for specialties of their duties.
