LIFE IN KUMAMOTO

A safe and comfortable place to live

Compared to Tokyo and other major cities, rent is cheaper and the city is safer. There are also places where you can consult in Filipino, making it a safe and comfortable place to live.

Kumamoto makes me feel like being in home!
I visit many places on my days off and enjoy my life in Kumamoto!
The sea in Amakusa is beautiful and I even saw dolphins out there!

Hospital (Building Cleaning) **PANES JECAL AMORES**

The manga "ONE PIECE" is very popular in the Philippines. In Kumamoto, there are statues of Luffy and his friends in various places, which is very exciting! It is a very comfortable city.

Responsible and rewarding work!

There are patients in the facility, so I don't just clean, I pay attention to my surroundings, pay attention to safety, and concentrate on my work. People at work are very kind and helpful. There are also many Filipinos working there.

Let's ENJOY!!

People in Kumamoto are kind!

I work in the egg packing department. The people at my workplace are very strict about their work and pay a great deal of attention to detail. People in Kumamoto are very kind. My dream is to start my own poultry farm!

Learning many skills

Japanese people are very disciplined about their work. They kindly teach us until we understand how to do things correctly. I also have Filipino colleagues at work, so we help each other. On my days off, I enjoy fishing and shopping!
